The work is done. The excitement has only just begun!

Nerissa, our 73ft luxury motor yacht's total reconstruction project is complete. There's nothing like her in all of Southern California. She will be certified at the end of this month to carry 49 passengers. Her design is modern contemporary with extraordinary details including walnut woodwork throughout, a lighted quartzite bar, stunning furnishings, a professional sound system, multiple outdoor sundecks plus a steaming bubbling hot tub!

We are now writing proposals to secure your dates. For assistance with your event planning please give us a call:
